# BNCE-45 Cutting Edge Saw™

## Ideal for Cutting Larger Rebar and Strut

*Burr-free, high-performance cold cuts you've come to expect from a Cutting Edge Saw™*

**(BNCE-45) Cuts #10 rebar quickly, safely, clean, & cool to the touch!**

### Features & Specifications

- Designed to cut up to #10 rebar (32mm) and other steel products up to 1-7/8", including strut
- Available as a corded (BNCE-45) or cordless (BNCE-45-24V) model

- Safe, shrouded-blade design shared by smaller Cutting Edge Saw™ tools; minimal sparks when compared to abrasive cutters Special strut-cutting blades available for the BNCE-45 series
- High torque ratio, with strengthened shaft and bottom guide to improve performance when cutting larger materials
