## BNCE-30

# The Cutting Edge Saw™

This compact and lightweight tool has a 3-position removable side handle and a rotating trigger handle that provides the operator with multiple cutting positions and increased maneuverability in tight areas. This amazing tool can cut a variety of materials including rebar, all-thread rod, coil rod, EMT conduit, pipe, tubing, burglar bars and more... It is designed to cleanly cut the material FLUSH with the surface.

*(Made By BN Products USA & Sold By CCInetwork.com)*
