BNMS-6500 Material Mixer Station

Get Your Job Done In Half The Time!

The BNMS-6500 is the ultimate mixing station for self-levelling materials, compounds, and epoxies, producing a perfect mix every time.

- Our portable station provides efficient hands-free mixing; enabling fast precision pouring of materials.
- Mixes up to 220 lbs. (22 gal bucket) hands free in minutes.
- Removable dust splash and bucket helps to keep the job clean.
- Lightweight with “easy tilt” for control and balance.
- Note: This tool is equipped with a timer (for those jobs that require a timed mix)
- Ergonomic handle for precision pouring.
- Heavy duty casters (including one that locks) for portability and movement while pouring.
- The BNMS-6500 station comes with the BNR-6500 Variable Speed Mixer.
- Heavy Duty 1800W Mixer built for the really tough jobs.
- Variable speed adjustment with lock-on feature.
- Soft-start and constant speed control.
- Double insulated, with 12' power cord.
- BNR003-160 M14 mixing paddle (6-1/2” 160mm diameter).
- Two Gears for 150 to 700 RPM's.
- Includes adaptive collar for the BNR6500
