

Husqvarna Banner Line®

GENERAL PURPOSE BITS

- General purpose drilling of concrete with soft to hard aggregate and light to medium steel reinforcing, masonry, brick, granite, marble, and stone.
- Custom specs are available: open-end, spoke-back, non-standard length and threaded tubing for deep drilling
- 3/8" to 1-1/2" bits have a 5/8" adapter. Bits 1-5/8" and above have a 1-1/4" - 7 thread adapter
